

The Impact 90 is a range of high-end professional downlights and is appreciated for its light comfort, performance and many customisation options. It takes a chrome cone. Also available with matt silver cone.

Artikelnummer: 3116000

SUMMARY SPECS

Mounting	: recessed
Adjustable	: no
Fixture light output	: 950lm
Driver	: Zenlite bluetooth HCL
System power	: 15W
Life	: 50000h
L./B. values	: L80/B20
Color housing	: white
Color cone	: chrome
Cover	: no
Protection	: IP44

MATERIALS

Material trim	: Aluminum
Cover material	: Aluminum & Polycarbonate

SIZE AND WEIGHT

Diameter	: 110mm
Ceiling cut out	: 93mm
Recess depth	: 115mm

TECHNICAL LIGHTING DATA

Light distribution	: symmetric
Reflector type	: Reflector
Fixture light output	: 950lm
Color temperature	: HCL 2700-6500K
Color accuracy	: CRI>80
Beamangle	: 40°
Glare ratio	: <8

ELECTRICAL DATA

Driver	: Zenlite bluetooth HCL
Driver (integrated or external)	: external
Connection	: on driver
Terminal	: 2x1,5mm ²
Looping	: yes
Power factor	: >0,9
System power	: 15W
Emergency unit	: no
